

511 H2O+ water base sealer

Benefits:

- Water & Stain Resistant
- Natural Look Appearance
- No Controversial PFOA ingredients

New and Improved!

Miracle Sealants, manufacturer of "The Original Impregnator" 511 Impregnator, is proud to announce the introduction of all NEW 511 H2O+. In an effort to meet the increasing demand for a water base impregnator/sealers. MSC introduces 511 H2O+ Sealer.

In addition to performing better than any other water base product on the market, 511 H2O+ is FREE from harmful PFOS (Perfluorooctane Sulfonate) and PFOA (Perfluorooctanoic Acid) that is found in many water base impregnators/sealers on the market today. The EPA considers these by-products harmful and has gone so far as to impose fines for its presence.

511 H2O+ raises the bar for all water base sealers and is economical.

511 H2O+ is completely odor free! It is very easy to use and will cover up to 4000 square feet per gallon. 511 H2O+ can be used on all natural stone including but not limited too: marble, granite, limestone, travertine, slate, sandstone, cantera, shell stone, blue stone, lapis, tiger eye, malachite, etc. All tiles including but not limited too: quarry tile, porcelain tile, ceramic tile, glazed ceramic tile, glass tile, and clay tile. Moreover, brick, concrete, masonry and all types of cement/concrete building surfaces. And of course, ALL types of grout including both cement and epoxy.
