- Resists Oil & Water Based Stains
- Focused Spray Nozzle Allows Application While Standing
- California Air Resources Board Compliant
- Contains No CFCs Harmful to the Ozone Layer
- Recyclable Steel Canisters
- Effective, Economical

The Best in an Aerosol Can!

Miracle Sealants, manufacturer of "The Original Impregnator" 511 Impregnator, is proud to announce the introduction of 511 Spray-On Grout Sealer. Our customers asked for a product that could be applied while standing, Miracle Sealants once again listened. 511 Spray-On Grout Sealer offers a convenient "CLEAN HANDS" approach to sealing grout utilizing a focused spray to deliver Impregnator/sealer to the grout.

511 Spray-On Grout Sealer has been tested by Scientific Certification Systems and has passed the stringent California Air Resources Board (CARB) Section 01350 test requirements making it certified for Indoor Advantage Gold (SCS-IAQ-01615).

511 Spray-On Grout Sealer contains no CFCs to deplete the ozone layer and the Canister can be recycled over and over again into many items keeping them from ending up in landfills! The product is tamper proof, hermetically sealed and always free of bacterial contamination.

Very easy to use, 511 Spray-On Grout Sealer resists water penetration, oil penetration; stain penetration, and is effective and economical.
